Dear Jill Madden,

We have received your annual update. We are pleased to inform you that the Oklahoma Department of Transportation (ODOT) has determined your firm continues to meet the eligibility criteria as a Disadvantaged Business Enterprise (DBE).

Your certification will remain in effect, provided your business continues to meet the eligibility criteria set forth in U.S. Department of Transportation, Code of Federal Regulations Title 49 Part 26. Annually, you must submit a signed and notarized "Disadvantaged Business Enterprise (DBE) No Change Affidavit" with supporting documentation. It is your responsibility to notify this office in writing within 30 days of any changes. Failure to do so may result in decertification of your business.

The following table lists the North American Industry Classification System (NAICS) code(s) and description(s) that have been assigned to your business in accordance with the service(s) it render(s).

NAICS: Specialty Description
NAICS 541620: ENVIRONMENTAL CONSULTING SERVICES
SC ED00: ENGINEERING DESIGN

Specific Work Categories

Civil Rights Division
