RE: RECERTIFICATON APPROVAL

Dear Ms. Jill Madden,

Congratulations!

AmaTerra Environmental, Inc. has been recertified as Women Business Enterprise (WBE) to participate in the City of Austin's Minority and Women-Owned Business Enterprise (MBE/WBE) Procurement Program.

MBEs and WBEs are required to seek recertification upon the fourth year anniversary of their initial certification and upon the fourth anniversary of all subsequent certifications. Failure of the firm to seek recertification by filing the necessary documentation with SMBR within 60 calendar days from the date of receipt of written notification from SMBR may result in decertification of the firm. The recertification review is completed thorough examination of the sworn affidavit and supporting documentation to determine your continued eligibility as outlined in the City Ordinance Code: § 2-9A-D-15.

You must report any change(s) in circumstances that affect your firm's size, social/economic disadvantage status, management, ownership or control to SMBR within thirty (30) calendar days. Failure to report such change(s) may result in the denial of continued certification or recertification. Additionally, a MBE/WBE on-site review may be conducted by SMBR as needed.

This firm's next Annual Review documents are due prior to February 28, 2026.
